SUBJECT INDEX

A

Advanced nurse practitioners
implementing advanced nurse practitioner roles in acute care, 139
Advancement process
Vanderbilt professional nursing practice program, 568
Age
stress, strain, and coping by inpatient registered nurses related to, 243
American Nurses Credentialing Center
ANCC Magnet Program as framework for culture change, 522
pitfalls to avoid in applying for ANCC Magnet Program designation, 603
AONE leadership perspectives
nursing education and nursing practice partnership, 131
work-related attributes of RN job satisfaction in acute care hospitals, 317

C

Career satisfaction
job and career satisfaction among staff nurses, 166
role stress and career satisfaction among registered nurses by work shift patterns, 337
Chemotherapy
interdisciplinary approach tor improving complex medication systems, 199
Clinical information systems
essential activities for implementing a clinical information system in public health nursing, 14
evaluating, 643
Clinical issues
nosocomial pressure ulcer prevention, 380
Clinical ladder programs
based on Carper's fundamental patterns of knowing in nursing, 146
Clinical practice
increasing through nurse-driven process improvement, 68
Colombia
model for organizational assessment and interventions in, 660
Complaints
procedure for, 136
Consider this
grievance tacking, 376
impact of healthcare informatics on the organization, 557
nursing references at the point of care, 10
pre-employment medication competency test, 134
salary compression, 321
strategic interviewing technique to select nurse managers, 500
Cultural competence
creating a culturally competent organization using diversity competency model, 31
Customer satisfaction
increasing through nurse-driven process improvement, 68

D

Decision making
art of, 343
building nurse leader capacity, 624
international perspective on, 627
measuring staff nurse involvement in, 331
Discipline
effective use of, 65
Diversity
creating a culturally competent organization using diversity competency model, 31
Documentation
nursing documentation time during implementation of electronic medical record, 24

E

Editorials
nursing administration research, 257
relationship-based nursing, 369
Effective labor relations
decertification, 313
discipline, 65
employee walkouts, 430
grievances and complaints, 136
management rights, 7
union-management cooperation, 621
Electronic medical record
nursing documentation time during implementation of, 24
Erratum 223
Errors
errors in nursing, 118
Ethics
ethical dilemma posed by pharmaceutical gift giving, 48
ethical helps and challenges faced by nurse leaders in the healthcare industry, 17

F

Financial performance
increasing through nurse-driven process improvement, 68

G

Gender
team building and, 179
Governance
measuring impact of collaborative governance, 497
researching shared governance, 251, 497
value of collaborative governance/ staff empowerment, 96
Grievances
procedure for, 136
tracking of, 376

H

Healthcare informatics
impact on organization, 557
Hiring
strategic interviewing technique to select nurse managers, 500
Home care
qualitative analysis of telehomecare nursing activities, 372
Hospitals
complexity of registered nurse work in acute care settings, 630
mergers of, dual versus dueling culture and commitment and, 235

I

Informatics
impact on organization, 557
Information management
essential activities for implementing a clinical information system in public health nursing, 14
Injury prevention
workplace prevention and musculoskeletal injuries in nurses, 153
In my opinion
Doctor's Orders section of patient healthcare record, 563
improving image of nursing profession, 510
International nurses
buddy program for, 350
International perspectives
decision making for nursing, 627
enhancing nurse-physician collaboration as innovation for staffing, 193
fighting the SARS epidemic in Taiwan, 565
implementing patient-centered care in Lebanon, 437
personal characteristics and job satisfaction among nurses in Lebanon, 384

J

Job satisfaction
enhancing nurse-physician collaboration as innovation for staffing, 193
factors influencing nurses' job satisfaction, 293
job and career satisfaction among staff nurses, 166
personal characteristics and job satisfaction among nurses in Lebanon, 384
predicting registered nurse job satisfaction and intent to leave, 271
work-related attributes of RN job satisfaction in acute care hospitals, 317
Job setting
job and career satisfaction among staff nurses, 166

L

Leadership
charge nurse leadership development and evaluation, 284
decisive, underpinning of, 257
development of leadership competencies as team, 639
a different age for, part 1, 105

Leadership
charge nurse leadership development and evaluation, 284
decisive, underpinning of, 257
development of leadership competencies as team, 639
a different age for, part 1, 105

a different age for, part 2, 173
effective, magnet and nonmagnet nurse leader perceptions of, 456
ethical helps and challenges faced by nurse leaders in the healthcare industry, 17
leadership development program for nurse managers, 544
profile of the future nurse leader, 324
roles, competencies, and education for, 451
Leadership development
building nurse leader capacity, 624
Lebanon
implementing patient-centered care in, 437
personal characteristics and job satisfaction among nurses in, 384
Letters to the editor
errors in nursing, 118
measuring impact of collaborative governance, 497
researching shared governance, 251, 497
Licensed practical nurses
reductions of, effect on RN patient loads, 201

M

Magnet hospitals
ANCC Magnet Program as framework for culture change, 522
nurse leader perceptions of effective leadership in, 456
pitfalls to avoid in applying for ANCC Magnet Program designation, 603
workplace empowerment and magnet hospital characteristics, 410
Management
management rights, 7
Management information systems
nursing references at the point of care, 10
Medical records
Doctor's Orders section of patient healthcare record, 563
nursing documentation time during implementation of electronic medical record, 24
Medication administration
interdisciplinary approach to improving complex medication systems, 199
pre-employment medication competency test, 134
Musculoskeletal injuries
workplace prevention and musculoskeletal injuries in nurses, 153

N

Nurse caring
nurse caring behaviors and patient satisfaction, 434
Nurse executives
collaboration among, in complex environments, 596
Nurse managers
educational preparation for future nurse managers, 404
leadership development program for, 544
preparation of, 451
providing staff feedback to nurse managers using internal resources, 391
strategic interviewing technique to select, 500
Nurse practitioners
ethical dilemma posed by pharmaceutical gift giving, 48
implementing advanced nurse practitioner roles in acute care, 139
measuring practice patterns among acute care nurse practitioners, 159
Nursing administration
nursing administration graduate programs, 300
Nursing assistants
role of certified nursing assistants in nursing home setting, 578
Nursing care
increasing quality through nurse-driven process improvement, 68
model for evaluating the context of nursing care delivery, 39
nurse staffing and perceptions of, 607
patient-centered, full integration of patient's perspective for, 82
patients' needs for, 76
relationship-based nursing and, 369
unique care delivery models to facilitate nursing work and quality outcomes, 52

translating psychosocial research findings into practice guidelines, 397
Vanderbilt professional nursing practice program, 441, 512, 568
Nursing profession
improving image of, 510
Vanderbilt professional nursing practice program, 441, 512, 568
Nursing shortage
buddy system for international nurses recruited to alleviate, 350
staff floating as management approach and, 196

O

Organizational assessment
model for organizational assessment and interventions in Columbia, 660
Organizational change
implementing advanced nurse practitioner roles in acute care, 139
Organizational culture
ANCC Magnet Program as framework for culture change, 522
dual versus dueling, with hospital mergers, 235

P

Patient-centered care
full integration of patient's perspective for, 82
implementing patient-centered care in Lebanon, 437
Patient outcomes
impact of professional nursing practice on, 224
relationship between nurse staffing and, 478
unique care delivery models to facilitate nursing work and quality outcomes, 52
Patient safety
provider perceptions to, 507
Patient satisfaction
nurse caring behaviors and, 434
Performance evaluation
Vanderbilt professional nursing practice program, 512
Pharmaceutical industry
ethical dilemma posed by pharmaceutical gift giving, 48
Physicians
enhancing nurse-physician collaboration as innovation for staffing, 193
Policy and procedure manuals
nursing references at the point of care, 10
Pressure ulcers
nosocomial pressure ulcer prevention, 380
Process improvement
interdisciplinary approach for improving complex medication systems, 199
Professional advancement
Vanderbilt professional nursing practice program, 512

SUBJECT INDEX

Professional issues
nurse caring behaviors and patient satisfaction, 434
provider perceptions of patient safety, 507
qualitative analysis of telehomecare nursing activities, 372
Public health nursing
essential activities for implementing a clinical information system in public health nursing, 14

Q
Quality of nursing care
increasing through nurse-driven process improvement, 68
Toyota Production System for improving, 585

R
Recruitment
effects of salary compression on, 321
process for, 468
staff floating as management approach and, 196
Registered nurses
commitment of, hospital mergers and, 235
complexity of registered nurse work in acute care settings, 630
effect of LPN reductions on patient loads of, 201
factors influencing nurses' job satisfaction, 293
inpatient, age related to stress, strain, and coping by, 243
predicting registered nurse job satisfaction and intent to leave, 271
reasons registered nurses leave or change employment status, 111

development of, 369
Research
by committee, 532
translating psychosocial research findings into practice guidelines, 397
Retention
catastrophe and nursing turnover, 486
effects of salary compression on, 321
job and career satisfaction among staff nurses, 166
predicting registered nurse job satisfaction and intent to leave, 271
providing staff feedback to nurse managers using internal resources, 391
reasons registered nurses leave or change employment status, 111
staff floating as management approach and, 196

S
Severe acute respiratory syndrome
fighting the SARS epidemic in Taiwan, 565
Staff empowerment
nurses' assessments of factors promoting or impeding,209
value of collaborative governance/staff empowerment, 96
workplace empowerment and magnet hospital characteristics, 410
Staffing
effect of LPN reductions on RN patient loads, 201
enhancing nurse-physician collaboration as innovation for, 193
nurse staffing and perceptions of nursing care, 607
relationship between nurse staffing and patient outcomes, 478
Stress
role stress and career satisfaction among registered nurses by work shift patterns, 337
stress, strain, and coping by inpatient registered nurses related to age, 243

T
Taiwan
fighting the SARS epidemic in, 565
Teams
development of leadership competencies as, 639
gender considerations in building, 179
Telehomecare
qualitative analysis of, 372
Telephone nursing advice
advice nursing practice, 353
model for examining predictors of outcomes of, 91
organization and process of systems for, 216
Time management
nursing documentation time during implementation of electronic medical record, 24

U
Unionization
decertification, 313

V
Values
changing nurse workforce and, 260

W
Workforce
benchmarking for planning and outcomes monitoring, 538
changing, nursing values and, 260
Workforce issues
admission-discharge-teaching nurses, 11
recruitment and retention management, 196
Workplace
positive, creating, 652
